PRICING:

- **PARTICIPATE:** To participate with your horse in **EITHER** Fall or Spring sessions, the fee is **\$385**. You can take **BOTH** the **Fall and Spring** sessions together for 10% off.
- Additional fees associated with the facilities. Please reserve stabling and pay facilities directly for stabling and trailering in fee. We will not have someone to keep track of and collect the fees for the study group. Facility phone numbers above.
 - * **TRAILERING IN FEE:** There will be a \$15 trailering in fee each time you trailer your horse to either facility. For example if you trailer your horse each month for the Fall session, your trailering in fee would be \$45 total (\$15 X 3 classes). Please pay each facility individually. If you share a trailer ride with another student or two, you could split this fee as this fee applies per trailer, not per horse. Of course if you board at the facility, this fee would not apply. All trailering in fees are to be paid to the facility upon arrival.
 - * **STABLING;** Stabling is also an additional fee. If you would like to trailer in the evening before or have a stall available during the day of your class, the fee is \$20 each day you use a stall. If you have any questions about the fees, please don't hesitate to ask. Please reserve stabling in advance so that the facility can make arrangements to have a stall available for your horse. All stabling fees are to be paid to the facility upon arrival.

PAYMENT:

- A \$100 deposit will hold your spot in the study group. This deposit is non-refundable unless someone is found to take your spot. You must pay a deposit for each study group you'd like to take (fall or spring)

- **All participant fees must be paid in full by September 30 for the Fall session and by December 30 for the Spring session.**
